Discussion Questions

1. Share today's teaching about Jesus and hot wheels with a child in your life. Curbs keep us on track. Jesus gives us curbs (his commands to obey). Anything outside of them is sin and from the devil (**Matthew 5:37**). Jesus jumped off the tracks to save us. Then report to your group about this discussion. How'd it go? What questions did the child ask?
2. How did today's message help you think about the difference between rules and religion?
3. Recall the stories of a doctor without bedside manners, or a Valentine's Day gift "because I'm supposed to." Contrast these with doctors and Valentine's Day gifts filled with love. How do these look different? Read **1 Corinthians 13** for hints.
4. Jesus loves organized religion. You can't say you love Jesus but not his church. If you want a 25-minute teaching video about this from Pastor Daron, leave a connection card today or email hello@crosslifepf.org.
